RE: Application of Water Head, LLC, for Acquisition of Water System at  
Gauley Falls Subdivision, Pickens County, and for Expansion of Service  
Area (SCPSC Docket No. 2008-270-W)

Dear Mr. Terreni:

On behalf of Water Head, LLC, I am writing to request the Commission for an extension of time for compliance with one of the provisions of Order No. 2008-727, issued on November 6, 2008, as I more fully describe in this letter.

Among other things, Order No. 2008-727 required Water Head, LLC to file a performance bond to comply with the provisions of S.C. Code Ann. § 58-5-270 (Supp. 2007) and the Commission's companion regulations within 30 days of the service of the Order. During that 30-day period, Water Head has entered into negotiations for the sale and transfer of the water system at issue in Docket No. 2008-270-W and which would be the subject of the performance bond. The parties to the prospective sale and transfer anticipate that the closing will occur in the near future. In light of the impending transaction and of the fact that the purchaser will submit a performance bond for the water system, Water Head requests an extension of 45 days for the submission of the required performance bond. I understand that the purchaser intends to submit a performance bond after closing, pending the Commission's consideration of an application for the transfer and acquisition of the water system.

Thank you for your consideration of this request. If you have any questions with respect to it, please do not hesitate to contact me.
